## EDUCATION AND TRAINING

---

### Undergraduate

1981 - 1991 University of South Florida, Tampa, Florida  
Bachelor of Arts, Cum Laude, Interdisciplinary Classics

### Graduate

1991 - 1995 University of South Florida, Tampa, Florida  
Moffitt Cancer Center, James A. Haley Veterans Administration  
Doctor of Medicine

### Post Graduate training

1995 - 2001 Residency  
Anatomic and Clinical Pathology  
University of South Florida, Department of Pathology, Tampa, Florida  
*Diplomate of The American Board of Pathology*  
*Certified in combined Anatomic and Clinical Pathology, July 29, 2002*

### Fellowship training

2002 - 2003 Dermatopathology, Tulane University Health Sciences Center,  
New Orleans, Louisiana  
*Diplomate of The American Board of Pathology and Dermatology*  
*Certified in Dermatopathology, September 23, 2003*

## **PROFESSIONAL APPOINTMENTS**

---

### ***Dermatopathologist***

Providing diagnostic interpretations for Dermatologists in multiple states  
Cleveland Skin Pathology, Inc.  
2003 – 2019

### ***Attending Physician in Dermatopathology***

Providing diagnostic interpretations for MetroHealth Dermatologists, Surgeons, Family Practitioners, and Podiatrists  
MetroHealth Departments of Dermatology and Pathology (appointments in both departments)  
2005 - present

### ***Director of Dermatopathology***

Supervisor of the pathology laboratory for the appropriate handling of skin specimens  
MetroHealth Medical Center  
2010 - present

### ***Laboratory Director***

Supervisor of the laboratory with responsibility for inspections and lab management, including implementation of a comprehensive Total Quality Management Program for Cleveland Skin Pathology Laboratory, An Affiliate of Sonic Healthcare.  
2017 – 2019

### ***Dermatopathologist***

Providing diagnostic interpretations for Dermatologists in multiple states  
AmeriPath Cleveland, Inc.  
2019 - present

## **ACADEMIC APPOINTMENTS**

---

Associate Professor, Dermatopathology  
MetroHealth Medical Center  
2021 – present

MetroHealth Medical Center  
2021 - present

Assistant Professor, Dermatopathology  
MetroHealth Medical Center  
2013 - 2020

Clinical Instructor, Dermatopathology  
MetroHealth Medical Center  
2006 - 2013

Director of Dermatopathology  
MetroHealth Medical Center  
2010 - present

## **CERTIFICATION AND LICENSURE**

---

Florida Department of Health (ME73870)

08/11/1997 – present

*The American Board of Pathology*  
*Certified in combined Anatomic and Clinical Pathology*  
July 29, 2002

Louisiana State Board of Medical Examiners (MD.14572R)  
05/21/2002 – 07/31/2003

*The American Board of Pathology and Dermatology*  
*Certified in Dermatopathology, September 23, 2003*

State Medical Board of Ohio (35-082855)  
07/11/2003 – present

New Mexico Medical Board (MD2005-0187)  
04/21/05 -07/01/08

Illinois Department of Financial and Professional Regulation (036.113641)  
05/09/2005 – present

West Virginia Board of Medicine (21931)  
05/09/2005 - present

Utah Division of Occupational and Professional Licensing (5829480-1205)  
03/15/2005 – present

Pennsylvania Department of State (MD 447093)  
09/20/2012 – present

Rhode Island Department of Health (MD17289)  
09/02/2020 - present

Connecticut State Department of Public Health (066843)  
09/30/2020 – present

New Hampshire Office of Professional Licensure and Certification (20905)  
10/07/2020 – present

Vermont Department of Health (042.0015207)  
03/03/2021 - present

## **HONORS AND AWARDS**

---

Cum Laude, University of South Florida, 1991

Honorable Mention, American Society of Dermatopathology, Poster Award, 2008

## **MEMBERSHIP IN PROFESSIONAL SOCIETIES**

---

American Society of Dermatopathology  
Member 2001 - present

International Society of Dermatopathology  
Member 2001 - present

College of American Pathologists  
Fellow, Diplomate of Pathology 1995 – present

International Society for Cutaneous Lymphomas  
Member 2013 – present

Society for Investigative Dermatology  
Member 2017 – present

## **PROFESSIONAL SERVICES**

---

### **Editorial Board:**

Journal of Cutaneous Pathology 2005 – present (extended for next 5 years)

### **Peer Reviewer:**

Journal of Cutaneous Pathology (>100 reviews) 2002 – present  
Archives of Dermatology, 2005 - present

### **Section Editor:**

“Journal Reviews” for the Journal of Cutaneous Pathology, 2008 - 2009

### **Certified Team Leader:**

College of American Pathologists Laboratory Accreditation Program, Team Leader, CAP inspections in Ohio, Michigan, and Kentucky, 2016 – present

## **COMMITTEE SERVICE**

---

### **National Committees:**

American Society of Dermatopathology  
Young Physicians Committee/Member 2010 - 2012

American Society of Dermatopathology  
Young Physicians Committee/Co-Chair 2012 - 2014

American Society of Dermatopathology  
Maintenance Of Certification Committee(MOC)/Member 2012 - 2014

American Society of Dermatopathology  
Maintenance Of Certification Committee(MOC)/Co-Chair 2014 - 2016

American Society of Dermatopathology  
Virtual Slide Library Committee/Member 2017 – present

### **Educational Committees:**

MetroHealth Department of Dermatology  
ACGME Self-Study Committee, Chairperson, 2017 – present

MetroHealth Department of Pathology  
Digital Imaging Committee, Member, 2019 – present

MetroHealth Department of Pathology  
M\*Modal Implementation Committee, Member, 2019 - present

## **TEACHING ACTIVITIES**

### **Teaching Sessions:**

1. Dermatopathology Slide Sessions (Preparation time 1-2 hours, intermittent one-hour sessions for Dermatology Residents, since 2004)
2. Dermatopathology Multiheaded Sign-out Sessions (3-5 hour sessions, 3x/week, 39 days/year) for Dermatology Residents, CWRU medical students, and other rotators, since 2006
3. Dermatopathology Didactic Sessions (Preparation time 6-12 hours, 1 ½ to 2 hour sessions scheduled 4 to 6 times per year x 10 years) for Dermatology Residents, CWRU medical students, and other rotators, since 2010
4. Mentoring and rotating as Coordinator of Dermatology Resident Presentations at the Cleveland Dermatological Society meeting held annually at MetroHealth, since 2010
5. Facilitator for Case Western Reserve School of Medicine, IQ Sessions of Medical Students (Preparation time 1-2 hours, 2.0 hour sessions/MWF x 7 weeks 1<sup>st</sup> year medical students 2015 and 2<sup>nd</sup> year medical students 2016)
6. Faculty Lecturer, Case Western Reserve University, Department of Pathology, Annual PATH523 2 hour Course in the Spring for Second Year Medical Students as a review course for USMLE Part I. (Preparation time 6 hours, 2017, 2018, 2019, 2020)
7. Faculty Lecturer, Case Western Reserve University, Department of Pathology, Annual Block 5: 2 hour Dermatopathology with Virtual Microscopy slides for First Year Medical Students, (Preparation time 2 hours, 2018, 2019)
8. Faculty Reviewer for PATH523/ANAT 523 Research Paper (worth 30% of final grade), Case Western Reserve School of Medicine, Second Year Medical Students, Spring 2020

### **Curriculum/Course Development:**

- I. Basic Science Lectures in Dermatology for MetroHealth Dermatology Residents: 2009 – present (approximately 6-10/year) consisting of a pre-lecture quiz, interactive lectures at the board, detailed supplemental handouts, and power point presentations
  1. Special Technique in Dermatopathology
  2. Introduction to Histochemistry and Immunohistochemistry
  3. Melanocytic Biology
  4. Keratinocyte Biology
  5. Metabolic, Storage, and Deposition Disorders
  6. The Extracellular Matrix
  7. Cutaneous Lymphomas
  8. Advanced Cutaneous Lymphomas
  9. Introduction to Molecular Biology
  10. Hair Follicle Anatomy and Biology
  11. Introduction to Neoplasia and the Cell Cycle
  12. Genetic Aberrations in Melanocytic Tumors
  13. Immunological Concepts in Face Transplantation and Graft vs. Host Disease

**II.** Young Physicians' Forum (YPF) followed by the Inaugural Art Show and YPF Reception 2012 The Forum was a 2 hr course/Q&A session with three nationally-known speakers, titled: Shopping for the Right Job "*Caveat Emptor!*"

**III.** Dermatopathology Lectures and development of Dermatopathology Milestones for MetroHealth Pathology Residents: power point lectures of the following topics (12/year) 2020

1. Anatomy of the Skin, Special Stains, and Grossing Techniques
2. Epidermal Proliferations and Cutaneous Cysts
3. Melanocytic Neoplasms
4. Spindle Cell Tumors
5. Inflammatory Reaction Patterns of the Skin
6. Lichenoid/Interface Dermatitis and Connective Tissue Disorders of the Skin
7. Alopecia and Vascular Lesions
8. Bullous Disorders
9. Adnexal Neoplasms
10. Cutaneous Lymphomas
11. Dermatopathology Unknowns
12. Board Review

### **Trainees / Mentees**

PhD (Post-doctoral/Clinical Dermatology and Anatomic/Clinical Pathology Residents)

1. Ally-Khan Somani, MD, PhD (2005-2008) Assistant Professor of Clinical Dermatology, Adjunct Assistant Professor of Otolaryngology-Head and Neck Surgery, Indiana University Health, IN (*mentorship: poster presentation at national annual meeting: American Society of Dermatopathology and several publications, PMID 19467370*)
2. Ali Gabali, MD, PhD (2005-2009) Associate Professor, Director, Hematopathology Fellowship Program, Director, Hematopathology Division, Wayne State University, OH
3. (*mentorship: difficult cases/patients, poster presentation at national annual meeting: American Society of Dermatopathology*)
4. Peggy Myung, MD, PhD (2010-2012) Assistant Professor of Dermatology and Pathology, Yale School of Medicine, CT (*mentorship: projects, fellowship preparation, career path and several publication*)
5. Marjorie Montanez-Wiscovich, MD, PhD (2013 – 2016) Board Certified Dermatologist, Assistant Professor, University of Florida, Gainesville, FL (*mentorship: difficult cases/patients, projects, manuscript in process*)
6. Jane Nguyen, MD, PhD (2013-2017) Associate Staff, Board Certified Pathologist/Fellowship in Gastroenterology, Cleveland Clinic, OH (*mentorship: difficult cases/patients, fellowship preparation*)

MD (Dermatology and Pathology Residents)

1. Harold Winfield, MD (2002 – 2005) Board Certified Dermatologist/Dermatopathologist, Dermatology Residency Program Director, Clinical Assistant Professor, MetroHealth, Cleveland, OH (*mentorship: projects, fellowship preparation, career path, oral abstracts and poster presentations at annual meetings of the American Society of Dermatopathology 2003, 2005, International Society of Dermatopathology 2004 and several publications, PMID 12834489, PMID 18976401*)
2. Katalin Ferenczi, MD (2005-2009) Associate Professor in Dermatology/Dermatopathology, University of Connecticut Health Center (*mentorship: projects, fellowship preparation and publication: PMID 25970643*)

3. Eun Ji Kwon, MD (2005-2009) Board Certified Dermatology/Dermatopathologist, NJ (*mentorship: projects, fellowship preparation, career path and publication: PMID 18976401*)
4. Marie Tuttle, MD (2005-2009) Adjunct Assistant Professor of Clinical Dermatology, Case Western Reserve University and Clinical Dermatologist, Founder and Director of Dermatology Clinic of Southern Utah (*mentorship: projects and publications: PMID 19590419, PMID 21239900*)
5. Timothy Chang, MD (2005 – 2007) Board Certified Dermatologist/Dermatopathologist, Clinical Assistant Professor of Dermatology, MetroHealth Medical Center (*mentorship: projects and several publications, PMID 19467370*)
6. Kyle Wagamon, MD (2006 – 2007) Board Certified Dermatologist/Dermatopathologist, Warren OH (*mentorship: projects and publications: PMID 15858490, PMID 19467370*)
7. Maria Robinson, MD (2006 – 2010) Board Certified Dermatologist/Dermatopathologist, DermPath Diagnostics, Germantown, PA (*mentorship: projects, fellowship preparation*)
8. Joanne Sung, MD (2006 – 2010) Board Certified Dermatologist/Dermatopathologist, Kaiser Permanente Vacaville Medical Center, CA (*mentorship: fellowship preparation*)
9. Carter Pace, MD (2007 – 2011) Board Certified Pathologist, Cleveland Clinic – Union Hospital (*mentorship: projects, including poster presentation at a national meeting: American Society of Dermatopathology*)
10. Holly Paugh, MD (2009 - 2012) Board Certified Dermatologist, Pediatric Dermatology Fellowship at University of Colorado, UC Health, CO (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting, and oral abstract presentation at a national meeting: American Society of Dermatopathology*)
11. Kimberly Bauer, MD (2009 – 2012) Board Certified Dermatologist, Northwestern Medicine Regional Medical Group, Chicago, IL CA (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
12. Jeffrey Uchin, MD (2010 – 2011) Board Certified Pathologist/Dermatopathologist, Director of Dermatopathology, West Penn Allegheny Health System, Pittsburgh, PA (*mentorship: publication: PMID 19125741*)
13. Tatiana Sousa, MD (2010–2013) Board Certified Dermatologist, West Lake Dermatology, TX (*mentorship: difficult cases/patients, oral presentations at Cleveland Dermatological Society, and oral abstract presentation at a national meeting: American Society of Dermatopathology*)
14. Suparna Mullick, MD (2010 – 2013) Board Certified Dermatologist, Founder and Director of Mullick Dermatology PLLC, Germantown, TN (*mentorship: difficult cases/patients, oral presentations at Cleveland Dermatological Society*)
15. Jeremy Davis, MD, MA (2011 – 2014) Board Certified Dermatologist, Mohs Surgical Fellowship, at UCLA, Beverly Hill, CA (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
16. Deanna Brown, MD (2011-2014) Board Certified Dermatologist, Susong Dermatology, TN (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting, and poster presentation at a national meeting: American Society of Dermatopathology*)
17. Carolyn Sok, MD (2011-2015) Board Certified Dermatopathologist/Pathologist, Quest Diagnostics, OH (*mentorship: difficult cases/patients, fellowship preparation and post-fellowship career path*)

18. Maren Locke, MD (2012 – 2015) Board Certified Dermatologist, Mohs Surgical Fellowship at MetroHealth, Founder and Director of Carlyle Dermatology, Ocala, FL (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
19. Eric Wilkerson, MD (2012 – 2015) Board Certified Dermatologist, Mohs Surgical Fellowship at Cleveland Clinic Foundation, Founder and Director of Fort Lauderdale Dermatology, FL (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
20. Katherine Disano MD (2013 – 2016), Board Certified Dermatologist, Associate Program Director, Dermatology Residency Program, MetroHealth (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
21. Emily Galen, MD (2014 – 2017) Board Certified Dermatologist, NOMS Dermatology, OH (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
22. Luke Lennox, MD (2014 – 2017) Board Certified Dermatologist, Buffalo Medical Group, NY (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
23. Taylor Dodgen, MD (2015 – 2018) Board Certified Dermatologist, Intercoastal Medical Group, Bradenton, FL (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting, projects: manuscript in process*)
24. Ross Brothers, MD (2015 – 2018) Board Certified Dermatologist, Northwest Dermatology Group, Southfield, MI (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting*)
25. Peter Pavlidakey, MD (2015 - 2017) Associate Professor, Directory of Dermatopathology Service, Director of Dermatopathology Fellowship Program, University of Alabama, AB (*mentorship: post-fellowship career path, educational virtual slide project*)
26. Natalie Kohlman, MD (2017 – 2020) Chief Resident, MetroHealth Department of Dermatology. (*mentorship: difficult cases/patients, projects, oral presentations at Cleveland Dermatological Society, poster presentation at an annual state meeting: Ohio Dermatological Association, manuscript in process*)
27. Matthew Franklin, MD (2018 – present) Accepted to Cleveland Clinic Foundation for Dermatopathology Fellowship in 2021 (*mentorship: difficult cases/patients, oral presentations at annual Cleveland Dermatological Society meeting, poster presentation at an annual state meeting: Ohio Dermatological Association, manuscript in process*)

#### Medical Students

1. Rishi K. Gandhi MD (2009) Board Certified Dermatologist – Louisville, KY (*mentorship: publication PMID 19878388*)
2. Patrick Sullivan MD (2018-2019) Internal Medicine Resident – Cincinnati, OH (*mentorship: manuscript in process*)

**Teaching Materials Produced (Grand Rounds material excluded)**

*handouts are expanded content provided for self-study and are unique from the power point slides*

1. The Dermatopathology Report: Lost in Translation, **power point presentation** 01/27/2006, Moderator, Cleveland Dermatological Society (regional meeting for residents, private and academic dermatologists and dermatopathologists)
2. Dermatopathology Unknowns, **quiz, handout of explanatory answers and power point presentation of images only**, (resident education) 06/10/08
3. Special Techniques in Dermatopathology, **quiz, lecture at the board and handout**, (resident education) 10/10/09
4. Histochemistry for Dermatopathology, **power point presentation**, (resident education) 06/05/09
5. Mycosis Fungoides, **power point presentation**, (resident education) 12/03/09
6. Cutaneous Lymphoproliferative Diseases, Lymphomas, and Leukemia, **power point presentation**, (resident education) 09/29/10
7. Resident slide boxes x 3, each with 100 different **slides of teaching cases**, (resident education) 2010 – 2014
8. Deposition, Metabolic, and Storage Disorders of the Skin, 1,5 hr **power point presentation, explanatory handout with supplemental material including vocabulary**, (resident education) 01/27/11
9. Non-Langerhans' Cell Histiocytosis, **power point presentation**, Speaker, World Congress of Dermatology, Seoul, South Korea (adapted for subsequent resident education) 05/22/11
10. Introduction to Grossing, Histochemistry, and Immunohistochemistry, **quiz, handout, and lecture at the board**, (resident education) 06/23/11
11. Dermatopathology **Glass Slide Quiz** consisting of 43 questions and 91 slides, (resident education) 06/23/11
12. Advanced Cutaneous T and B cell Lymphomas, **quiz and handout with lecture**, (resident education) 06/29/11
13. Introduction to Lymphoma, **quiz, handout, and lecture at the board**, (resident education) 08/11/11
14. Inflammatory or Neoplastic, **glass slide quiz**, (resident education) 09/01/11
15. Introduction to Molecular Pathology, **quiz and lecture at the board**, (resident education) 12/22/11, **power point presentation** (09/19/13)
16. Melanocyte Biology Review, 2 hr **power point presentation of images, explanatory handout, vocabulary list** (resident education) 01/17/12

17. Aggressive Lymphomas, **power point presentation of images, quiz and explanatory handout** (resident education) 01/17/12
18. Disorders of Epidermal Growth and Differentiation, **power point presentation of images, explanatory handout with vocabulary** (resident education) 02/11/12
19. Dermatopathology Unknowns, **power point presentation of images** (resident education), 02/09/12
20. Keratinocyte Biology and Differentiation, 2 hr **power point presentation of images only, quiz and explanatory handout with vocabulary**, (resident education) 09/03/2012
21. Sclerosing Lipogranuloma, Necrobiotic Xanthogranuloma, CD30+ Cutaneous Lymphoma-small cell variant, and Levamisole-Induced Vasculitis, illustrative cases, **power point presentation**, Speaker, Annual Dermatopathology Self-Assessment Workshop, (adapted for resident education) 09/06/12
22. Introduction to the Laboratory and Histochemistry, **power point presentation**, (resident education) 01/09/13
23. Extracellular Matrix, 2 hr **power point presentation, quiz and explanatory handout with vocabulary list**, (resident education) 06/06/13
24. Energy Dispersive Spectrometry: Illustrative Cases, **power point presentation**, Speaker “What’s Hot in Dermatopathology”, Annual Meeting of the American Academy of Dermatology, NY, NY, 2013 (adapted for resident education) 08/01/13
25. Sclerodermoid Graft vs. Host Disease and Dermatitis Herpetiformis case reports, **power point presentation**, Speaker, Annual Dermatopathology Self-Assessment Workshop, (adapted for resident education) 09/20/13
26. Hair follicle – Basic science, **1.5 hr power point presentation of images, quiz and explanatory handout** (resident education) 12/05/13
27. Mycobacterial Infections of the Skin, **power point presentation**, (resident education) 02/12/14
28. Normal Structure of the Skin, **power point presentation**, (resident education) 02/06/14
29. Introduction to Alopecia, **power point presentation** (resident education) 06/10/14
30. Proliferating Pilar Tumor, Microvenular Hemangioma, and Spindle Cell B Cell lymphoma, illustrative cases, **power point presentation**, Speaker, Annual Dermatopathology Self-Assessment Workshop, (adapted for resident education) 10/15/14
31. Genetic Concepts and Terminology Part I, **power point presentation, quiz and handout** (resident education) 04/08/15

32. Dermatopathology 100 Unknowns, **power point presentation of images**, (resident education) 04/09/15
33. Basement Membrane Zone: the components, **power point presentation of images, explanatory handout**, (resident education) 09/03/15
34. Polymorphous Light Eruption and Ochronosis case reports, **power point presentation**, Speaker, Annual Dermatopathology Self-Assessment Workshop, (adapted for resident education) 09/24/15
35. Gene Expression in the Skin, **handout**, (resident education) 08/04/2016
36. Introduction to Neoplasia and the Cell Cycle, quiz, **lecture at the board and handout**, (resident education) 08/04/16
37. Epidermal Appendages, **power point presentation**, (resident education) 12/21/16
38. Review of Dermatopathology for Medical Students, 2.0 hr **power point presentation**, 03/17
39. Special Stains and IHC in Dermatopathology, **power point presentation of images, quiz and handout**, (resident education) 05/03/17
40. HSV, Tumor of the Follicular Infundibulum and Adamantinoid Trichoblastoma case reports, **power point presentation**, Speaker, Annual Dermatopathology Self-Assessment Workshop, (adapted for resident education) 09/15/2017
41. Dermatopathology Review Group I: Epithelial, Spindle Cell and Adnexal Tumors, **power point presentation**, (resident education) 03/20/19
42. Hair Anatomy and Pathology, **power point presentation**, (resident education) 05/09/19
43. Genetic Aberrations of Melanocytic Tumors, **quiz and power point presentation (2 hr)**, (resident education) 04/20/20
44. Immunological Concepts in Face Transplantation and Graft vs. Host Disease, 2.0 hr **power point presentation and supplemental handout**, (resident education) 05/04/20

### **Invited Speaker Presentations**

#### **REGIONAL**

1. Moderator: "Interpretation of the Dermatopathology Report: Lost in Translation", Cleveland Dermatological Society Meeting, MetroHealth Medical Center, Cleveland, OH, 2006
2. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH (An advanced self-assessment course for dermatopathologists and dermatologists in practice, fellows, and residents) September 2009
3. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2010

4. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2011
5. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2012
6. Speaker, “Alopecia for Histologists”, the Histology Society of Ohio Symposium, (An annual educational symposium for histotechnologists and histotechnicians across the state of Ohio), Cleveland, Ohio 2013
7. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2013
8. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2014
9. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2015
10. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2016
11. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2017
12. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2018
13. Speaker, Annual Dermatopathology Self-Assessment Workshop, Cleveland Clinic Foundation, Cleveland OH, September 2019

#### **NATIONAL**

1. “Dermatopathology Review for Maintenance of Certification. Part I: Tumors”. American Academy of Dermatology, San Francisco, CA, 2010
2. Moderator, Young Physicians’ Forum: Shopping for the Right Job “Caveat Emptor”, American Society of Dermatopathology, Chicago, IL, 2012
3. “What’s Hot in Dermatopathology”, American Academy of Dermatology, NY, NY, 2013
4. “Saved by the Patient”, International Society of Dermatopathology, Denver, CO, 2014

#### **INTERNATIONAL**

1. “Non-X Histiocytic Disorders”, World Congress of Dermatology, Seoul, South Korea, May 2011
2. “Why CPC Matters So Much in Dermatopathology”, United States and Canadian Academy of Pathology (USCAP) - 107th Annual Meeting Mar 17 - 23, 2018 Vancouver, BC
